PHOTOGRAPHERS
ASSOCIATION
ACHIEVEMENT AWARD

Eastman Kodak has once again chosen a recipient for its coveted Achievement Award from the ranks of Washington's finest photojournalists. This is only the second year for the new citation, which in 1981 went to Buck May, the only living member of the original founders of the WHNPA in 1921. The award will be given annually in recognition of outstanding and sustained contributions to photojournalism among Washington news photographers.
